Organisational Membership TYFU | GROW

Your organisation has a strategic and operational commitment to co-production and citizen involvement.
Develop your champions, your organisational practice, and your impact!

- ❖ Demonstrate your organisational commitment to asset-based, values-based and person-centred approaches; display a digital badge on your website.
- ❖ Access clear and up-to-date information on all aspects of co-production, citizen involvement and related fields of work, via your champions, for everyone in your organisation.
- ❖ Your champions access all the benefits of individual membership as a baseline, including: advice, learning and sharing opportunities; the regional Co-production Get Togethers, Ask Me Anything monthly online sessions, and monthly learning and practice webinars; as well as early notice of the Annual Wales Co-production Conference.
- ❖ In addition, every year your champions attend one-day comprehensive train the trainer "introduction to co-production" sessions, for them to gain the knowledge and resources to roll out the training as well as apply their skills in your organisation, (with yearly refreshers and updates).
- ❖ You choose the people you wish to nominate as champions (and we can help with the process).
- ❖ Your champions can be staff members, volunteers, trustees and citizens or service users who will work in (or closely with) your organisation to advance your co-production and citizen involvement aims.
- ❖ Access all these benefits for a membership cost equivalent to £50 per champion per year.

Network Partnership HELPU | HELP

Your organisation has a solid co-production and citizen involvement practice.
Support the development of other member organisations, and the advancement of the co-production agenda in Wales!

- ❖ Access all the benefits of being an organisational member of the Network, with nominated champions attending yearly training and connecting with other members.
- ❖ Support and involve individual citizen Network members in your local area who are not attached to any organisation.
- ❖ Share your co-production experience across the Network's community of practice through the knowledge base, newsletters and events.
- ❖ Actively engage in and help organise events that promote co-production in your local or service area.
- ❖ Enable your champions to explore, learn from, and support co-productive practice in other organisations, by conducting Network co-production assessments.
- ❖ Annual assessment of your organisation's co-production practice, conducted by other Network members using the Co-production Audit Tool (for large organisations, nominate particular functions or services for audit).
- ❖ Co-production Network for Wales endorsement of your organisation's co-production practice, in support of tendering activity and proposals.
- ❖ Follow-up to the annual assessment through a day's consultation to help you strengthen your co-production development, and 10% off Network consultancy packages for further support.
- ❖ 50% reduction on the cost of conferences and events organised by the Network.

Organisational Membership (TYFU | GROW) and Network Partnership (HELPU | HELP)

Your membership fees enable us to maintain a vibrant and effective Network of people and groups that are making transformational co-production a reality in Wales. We are open to some organisations providing practical support rather than financial: if that enables you to get involved, talk to us!

The small print:

- Membership is annual and runs from 1st April to 31st March, payable by invoice.
- If you join during the course of the year, your membership fee is pro rata'd to full months.
